## Introduction to LNT Awareness Workshop Backcountry Horseman of Idaho

## 6. Respect Wildlife

- ▲ Why is feeding wildlife a bad idea?
- ▲ What should you do if you come across a nest? Or a baby deer??
- ▲ How might you discourage critters from begging at your camp??
- ▲ What about a messy camp; what does that do regarding wildlife including birds??
- ▲ Should you take your dog with you? If so, what do you need to do?

Co-instructors do you have anything to add? What questions do you have??
